Hi All,

As promised by Softball Australia the new insurance broker, V-Insurance, have put together an insurance website for us. We now have the benefit of all insurance information being online in the one spot!

Some highlights;

- Certificate of Currency's (COCs) can now be downloaded by each club and association. There is a dropdown window in each state document where a club/association can select their club/association to put the name on the document. If there are further editable requests, please let me know. V-Insurance can tailor it for any community activities that need additional information on the COC. Clubs should be listed in alphabetical order so it can be easily searched.
- Policy documents are all in one place
- Details of cover all in one place

Please send this email to your clubs and place this link on your website so you don't have to duplicate the information.

Everything you need should be there. If there is anything missed, please let me know. SAL will continue to make changes and improvements as needed.

Kind Regards,

Sue Nisbet
General Manager
