

Rationale

This policy aims to create a clear and consistent set of rules relating to the allocation of financial support to its members who wish to attain accreditation in Coaching, Scoring or Umpiring.

Policy

Caboolture Sports Softball Association (CSSA) shall provide, at this ultimate discretion, financial support to its members who have made application for Official Accreditation on the following conditions

1. CSSA Members will only be considered for funding on the proviso that such CSSA members must not have any outstanding fees owing to their Club/Association.
2. The amount of funding provided shall be determined from time to time by the Executive Committee.
3. This application form, as approved by the Committee, must be completed and submitted to the Association Secretary before any funding support will be considered. The Association Secretary shall note the application as part of the next Executive Meeting of the Committee.
4. A member can apply for more than one allocation of funding in any one year, however the Committee may choose to limit the total of money allocated to any member in any one year.
5. The Committee may choose to pay money to the member directly or to any organising body.
6. A member, before receiving any funding must:
 - 6.1 agree to renew their membership with the Association for its next full competition season.
 - 6.2 agree to use the funds to offset costs directly related to the relevant accreditation.
 - 6.3 agree that if they do not complete (i.e. submission of paperwork to the relevant organising body) the level of accreditation applied for within 12 months, they must repay the full value of the funding to the Association
 - 6.4 agree to repay the full value of the funding if they wish to leave the Association during the next competitive season.
 - 6.5 when the funding is paid directly to them, complete a form that declares that their payment relates to a private recreational pursuit or hobby which exempts it from tax withholdings.

7. Any member who has amounts owing to the Association may forego their rights of membership, including the right to seek clearance of transfer to another Association.
8. In special circumstances such as illness or unforeseen personal circumstances, the Committee has the right, at its ultimate discretion, to defer the payment of unpaid funds until the matter has been considered and decided upon at the next Executive Meeting.
9. Where the Committee has deferred the payment of unpaid funds, the Committee at its next Executive meeting may choose to reduce or waive the debt, and or set new terms of repayment, and to take any other action as it sees fit.
10. The member has the right of appeal any decision made under this policy so long as such appeal shall be in writing to the Committee and be received within 28 days of such decision being made known to the member
