

CABOOLTURE SPORTS SOFTBALL ASSOCIATION

PREGNANCY – INDEMNITY

Ibeing a pregnant mother, have been informed that continued participation in sport is potentially a health risk to my unborn child and myself.

I have been advised to seek the advice of an appropriately qualified medical practitioner about those risks and whether, or for how long, it is safe for me to continue participating.

I am aware of the guidelines that the “Australian Sports Commission – Pregnancy in Sport” impose on a pregnant athlete or official, a duty to take reasonable care to avoid foreseeable risks of injury to my unborn child.

I am aware that if any injury does occur to my unborn child, that I am at risk of being sued by my child in later life.

I am taking part in this sporting activity at my own risk and will not hold CABOOLTURE SPORTS SOFTBALL ASSOCIATION (CSSA), SOFTBALL QLD INC (SQI), orClub/Team or any person participating in this sport responsible for any action or injury that may occur to my unborn child or myself.
