ON-LINE MEMBER REGISTRATION

For tips of navigation into the SportsTG system, please contact either CSSA Registrar (Nicki Endicott-Davies) after hours on 3889 7038 or 0417 719 483 or the Administration staff at the SQI Office on 3391 2447. The 2020 season & the online registration has not cancelled out nor replaced the need of CSSA's requirement to keep track of Team Nominations, Team Registrations or Team Reconciliations. These forms are to be completed (as previously done) & submitted to CSSA in the usual manner, which will be 'married up' with the online registration database.

PLEASE NOTE: Once the members' online registration has been entered into the SportsTG system, the SportsTG does not allow for any members' withdrawing/removal from the database.

Caboolture Sporting Club Ltd- Sporting Membership

Caboolture Sports Club is a part of the CSC Group, a not-for-profit, member-based organisation that began in the early 1990's. The club was founded in February 1994 when six local sporting groups – Softball, Touch Football, Cricket, Dog Obedience, Soccer and Rugby Union – collectively formed a single incorporation to help support their sports and provide a social meeting place for their members.

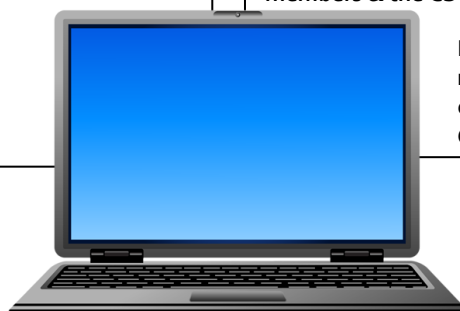

Today, the club delivers over \$1.8 million in cash and in-kind support to the local community each year!

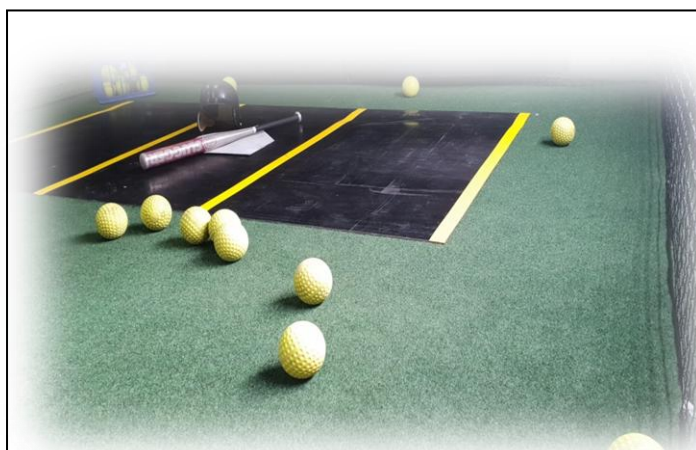

These funds are provided to the six foundation sporting clubs, as well as over over 300 local sporting clubs, community groups and individual athletes each year.

For the 2020 year, the CSCL Management have introduced for the 6 sub clubs an improved sport-specific membership registration process. Gone is the day of completing a 'hard copy' of the CSCL - Sporting Membership Form, but to be replaced with the benefits of exporting details from the online SportsTG data base.

The goal of Management CSCL is to obtain a higher awareness & connection between sporting club members & the CSC Group

Please be advised the sporting club membership cards are to be collected from Reception Area at the Caboolture Sports Club - Morayfield
